

CONTRACTS

Contracts for April 28, 2026

NAVY

Huntington Ingalls Industries, Ingalls Shipbuilding, Pascagoula, Mississippi, is being awarded a \$282,885,933 cost-plus-award-fee contract for FF(X) class frigate lead yard support. Work will be performed in Pascagoula, Mississippi, and is expected to be completed by April 2028. Fiscal 2026 shipbuilding and conversion (Navy) funds in the amount of \$59,092,397 (73%); and fiscal 2026 research, development, test and evaluation (Navy) funds in the amount of \$21,500,339 (27%), will be obligated at time of award and will not expire at the end of the current fiscal year. This contract was not competitively procured in accordance with 10 U.S. Code 3204(a)(2) (unusual and compelling urgency). Naval Sea Systems Command, Washington, D.C., is the contracting activity (N00024-26-C-2306).

Raytheon Corp., Fullerton, California, is awarded a \$206,227,000 cost-plus-incentive-fee contract. This contract provides for the design, engineering, integration, testing, and verification/validation of M-Code Global Positioning System capabilities into the AN/USN-3(V)1 Joint Precision Approach and Landing System, as well as for the procurement of four engineering development models for the Navy. Work will be performed in Fullerton, California (60%); and Cedar Rapids, Iowa (40%), and is expected to be completed in April 2030. Fiscal 2026 research, development, test and evaluation (Navy) funds in the amount of \$11,500,000 will be obligated at the time of award, none of which will expire at the end of the current fiscal year. The contract was not competed. Naval Air Systems Command, Patuxent River, Maryland, is the contracting activity (N0001926C0133).

Prescient Edge Corp., McLean, Virginia, is awarded an \$11,302,394 cost-reimbursement contract (N6600126C0027) for specialized technical support to the Navy's Project Overmatch program for the end-to-end testing, refinement, and rapid operationalization of its robotic autonomous systems. Work will be performed in San Diego, California; Port Hueneme, California (30%); the National Capital Region, including Lexington Park, Maryland; Laurel, Maryland; Tysons, Virginia; and Washington, D.C. (30%); various locations within the continental U.S., including Stennis, Mississippi; Norfolk, Virginia; Jacksonville, Florida; Key West, Florida; and Tampa, Florida (20%); and various locations outside the continental U.S., including Portugal, Germany, Bahrain, Ecuador, Panama, and Honduras (20%). This one-year contract includes four one-year options which, if exercised, would bring the overall potential value of this contract to an estimated \$59,309,378. The period of performance of the base award is from April 28, 2026, through April 27, 2027. If all options are exercised, the period of performance would extend through April 2031. Funds from research, development, test, and evaluation will be obligated at the time of award, of which \$1,560,063 will expire at the end of the current fiscal year. This contract was awarded as a sole-source acquisition pursuant to 10 U.S. Code 3204(a)(1). Naval Information Warfare Center Pacific, San Diego, California, is the contracting activity.

AIR FORCE

Northrop Grumman Systems Corp., Linthicum Heights, Maryland, has been awarded a ceiling \$488,000,000 firm-fixed-price, indefinite-delivery/indefinite-quantity contract for F-16 System Program Office Foreign Military Sales (FMS) and Air Force/Navy support. This contract provides for the engineering and technical support of F-16 radar (APG 66/68). Work will be performed at Linthicum Heights, Maryland, and is expected to be completed by March 31, 2036. This contract involves FMS to Bahrain, Belgium, Chile, Denmark, Egypt, Greece, Indonesia, Iraq, Israel, Jordan, Korea, Morocco, Netherlands, Norway, Oman, Pakistan, Poland, Portugal, Romania, Thailand, and Türkiye. This contract was a sole source acquisition. Fiscal 2026 non-appropriated, Air Force, and Navy funds in the amount of \$2,644,922 are being obligated at time of award. The Air Force Lifecycle Management Center, Hill Air Force Base, Utah, is the contracting activity (FA8232-26-D-B003). (Awarded April 27, 2026).

AECOM Technical Services Inc., Murray, Utah (FA8201-26-D-0001); ajc architects P.C., Salt Lake City, Utah (FA8201-26-D-0002); Arcadis – Huitt Zollars JV, Salt Lake City, Utah (FA8201-26-D-0003); Black & Veatch Special Group, South Jordan, Utah (FA8201-26-D-

0004); CRSA, Salt Lake City, Utah (FA8201-26-D-0005); Architectural Design West, Salt Lake City, Utah (FA8201-26-D-0006); GSBS, P.C., Salt Lake City, Utah (FA8201-26-D-0007); HDR Engineering Inc., Salt Lake City, Utah (FA8201-26-D-0008); Jacobs Engineering Group Inc., Salt Lake City, Utah (FA8201-26-D-0009); Michael Baker International Inc., Salt Lake City, Utah (FA8201-26-D-0010); and Parsons Government Services Inc., Sandy, Utah (FA8201-26-D-0011), were awarded a ceiling \$136,000,000 firm-fixed-price, indefinite-delivery/indefinite-quantity contract for architectural and engineering services. This contract provides for architectural and engineering services to support the 75th Civil Engineering Group's mission. Work will be performed at Hill Air Force Base, Utah, and other geographically separated areas under its jurisdiction, and is expected to be completed by Oct. 28, 2034. These contracts were competitive acquisitions and 22 offers were received. Fiscal 2026 operations and maintenance funds in the amount of \$5,500 are being obligated at time of award. The Air Force Sustainment Center, Hill AFB, Utah, is the contracting activity.

Apogee Engineering LLC, Colorado Springs, Colorado, has been awarded a \$103,612,188 firm-fixed-price, labor-hour, and time-and-materials task order for positioning, navigation, and timing contractor support services. This contract provides for modernization, acquisition, and sustainment planning in support of the international position navigation and timing enterprise. Work will be performed at Robins Air Force Base, Georgia; Wright-Patterson AFB, Ohio; and Eglin AFB, Florida, and is expected to be completed by Nov. 10, 2031. This contract was a competitive acquisition and three offers were received. Fiscal 2026 research, development, test and evaluation funds; fiscal 2025 ammunition procurement funds; and fiscal 2025 missile procurement funds, in the amount of \$7,028,735, are being obligated at time of award. The Air Force Life Cycle Management Center, Robins AFB, Georgia, is the contracting activity (FA8576-26-F-B009).

Amentum Services Inc., Chantilly, Virginia, has been awarded a \$66,114,342 modification (P00011) to previously awarded contract FA489025C0001 for the 9th Air Force Global Pre-Positioned Materiel Service support contract. The modification brings the total cumulative face value of the contract to \$158,500,601 from \$92,386,258. Work will be performed at Shaw Air Force Base, Sumter, South Carolina; and within the Air Force Central Command area of responsibility, and is expected to be completed by May 31, 2027. Fiscal 2026 operations and maintenance funds in the amount of \$65,590,592 are being obligated

at time of award. The Headquarters Air Combat Command, Acquisition Management and Integration Center, Langley Air Force Base, Hampton, Virginia, is the contracting activity. (Awarded April 27, 2026).

Northrop Grumman Systems Corp., Meadows, Illinois, has been awarded a \$30,617,137 modification (P00172) to previously awarded (FA8615-17-C-6047) for F-16 Integrated Viper Electronic Warfare Suite Electronic Warfare Radio Frequency Compatibility Spiral 1 development phase completion effort. This modification provides for an increase in flight test releases and software development requirements. Work will be performed in Rolling Meadows, Illinois, and is expected to be completed by Sept. 30, 2027. Fiscal 2025 research, development, test, and evaluation funds in the amount of \$20,000,000 are being obligated at the time of award. The total cumulative face value of the contract is \$1,819,950,480. Air Force Life Cycle Management Center, Wright-Patterson Air Force Base, Ohio, is the contracting activity.

General Dynamics Mission Systems, Scottsdale, Arizona, has been awarded a \$28,355,895 cost-plus-fixed-fee task order for integrated logistics and sustainment. This contract provides for sustainment and modernization to the ground segment of the Mobile User Objective System. Work will be performed at Scottsdale, Arizona, and is expected to be completed by April 26, 2027. This contract was a sole source acquisition. Fiscal 2026 operations and maintenance funds in the amount of \$10,000,000 are being obligated at time of award. Space Systems Command, Los Angeles Air Force Base, California, is the contracting activity (FA8807-26-F-B002). (Awarded April 27, 2026).

BAE Systems Information and Electronic Systems Integration Inc., Merrimack, New Hampshire, has been awarded an \$11,791,719 firm-fixed-price contract for the Link-182 Space-to-Space Comms System Development and Demonstration. This contract provides for the enhancement of U.S. warfighting capability through the acquisition, development, and demonstration of resilient space capabilities for proliferated low Earth orbit. Work will be performed at Merrimack, New Hampshire, and is expected to be completed by April 30, 2027. This contract was a competitive acquisition and six offers were received. Fiscal 2026 research, development, test and evaluation funds in the amount of \$11,791,719 are being obligated at time of award. The Space Systems Command, Los Angeles Air Force Base, California, is the contracting activity (FA8819-26-C-B005). (Awarded April 27, 2026).

ARMY

CORRECTION: The \$14,018,348 modification (P00036) to contract W9113M-23-C-0062, announced on April 27, 2026, to Range Generation Next LLC, Sterling, Virginia, for continued support of the Reagan Test Site in support of Kwajalein Islands operations, was actually awarded on April 28, 2026.
